

STATEMENT OF CONFORMITY

Statement No: PEDD10000009,
Rev. 1
Job ID: 341.4-000251-3

This is to certify that the product(s)
Component

with name and/or type designation(s)
Piping and Valve Components

Manufactured by
WMS Technologies Private Limited
Plot No. 39, GIDC Manjusr, Tal. Savali, Dist. Vadodara, Gujarat - 391775, India

has been assessed on a voluntary basis with respect to the relevant Essential Safety Requirements in Annex I of the Council Directive 2014/68/EU on Pressure Equipment, as amended, and found to comply

The scope of verification carried out by DNV GL on a voluntary basis is given overleaf

This Statement is valid until 2023-08-03

Issued at Høvik on 2020-08-04

for DNV GL AS

Digitally Signed By: Zeinab Sharifi

Location: DNV GL Høvik, Norway

Statement history

Revision	Description	Issue Date
-	Original statement. Replaces PED-D1-21. Manufacturer's name changed from Worldwide Materials Sourcing (India) Pvt. Ltd. To WMS Technologies Private Limited.	2017-09-26
1	Statement renewal.	2020-08-04

Products covered by this Statement

Verification scope

Assessment including verifying manufacture/final assessment (in line with Module D1 procedure) has been carried out by DNV GL Pune, ref. audit report dated 2020-07-31 for the product(s) listed below:

Product Name	Product Description	Applied Product Std.
Piping and Valve Components	Chokes (Studded Tees, Blocks and Cross-Overs) – 2" 5K to 4" 20K	API 6A
	Flanges – 1-13/16" 10K to 13-5/8" 15K	
	Spools – 2" 10K to 4" 20K	
	Bonnet – 2" 5K to 5" 10K	

Applications/Limitations

The verification does not cover component design. The component manufacturer shall follow the design provided by the pressure equipment manufacturer. In the case of flanges, the dimensions given in the respective flange standard shall be followed.

Terms and conditions

The statement is subject to the following terms and conditions:

- The statement is only valid for the product(s) listed above

The following may render this statement invalid:

- Changes in the design or construction of the product(s)

Conformity declaration and marking of product

The Manufacturer shall not affix the CE mark to the component and shall not draw up an EU declaration of conformity. However, the Manufacturer should draw up a Component Certificate as described in PED Guideline G-19.
